

Our 2019 event was one of the biggest we have ever had, but we are looking to go even bigger in 2021! SharonFest 2021 will be held on July 23rd & 24th and is sure to be a crowd pleaser. Our festival brought in record crowds last year while fulfilling our mission of coordinating a Community wide event that helps local non-profits raise funds and awareness for their cause.

A few of the non-profit groups that benefited from last year's event were:

Sharonville Kiwanis, Knights of Columbus, Princeton Athletic Teams, Sharonville Youth Organization, Heritage Village Museum, Sharonville Christmas Fund, Freedom Church, Sharonville Cultural Arts, and many more!

Of course none of this would be possible without the help of our generous sponsors. As we prepare for our big celebration, we need your help in putting on a great event. One way to support our festival is through your sponsorship. Enclosed you will find our Sponsor Depot and the various benefits of each sponsorship level. Simply choose the level that best works for your organization, complete the form and submit your payment.

The other way to support is to simply attend SharonFest on July 23rd & 24th and enjoy yourself. Bring your family, friends, and colleagues. There is something for everyone at SharonFest!

Festivals of Sharonville, Inc. is a 501(c)3 organization who can provide a letter confirming your donation for tax purposes. For more information, please contact us by email at sponsors@sharonfest.com or visit our website at www.sharonfest.com.

Thank you in advance for your consideration in sponsoring this amazing event.

Regards,

John Coulson
2021 SharonFest Committee

Thank you for riding with SharonFest!
